Canberra, ACT 

Education

- 2022-2027** Currently studying a **Bachelor of Computing with a Major in Cyber Security** at the **Australian National University** in Canberra, and I expect to graduate end of 2027.
- 2016-2021**
(ATAR 94.35) **NSW Higher School Certificate** completed at **St Stanislaus' College, Bathurst.**
- Maintained a consistent academic track record with a focus on STEM studies.
 - *1st in course for Software Design and Development; 2nd in course for Mathematics Extension 2 + Physics; 3rd in course for Mathematics Extension 1 + English Advanced.*

Volunteering

- Oct 2025 - Present** **Cybersecurity Officer – ANU Computer Science Students Association (CSSA)**
- Leadership, Event strategy and planning, Process and Compliance documents, facilitation of Industry Sponsorships, Cloud Infrastructure, Funding and Catering
 - Lead a team of 15 to construct the CSSA's first O-Week Capture The Flag computer security competition, Disorientation CTF. Used Google Cloud infra to host the challenge software (noCTF + kCTF kubernetes); it didn't go down once.
 - Industry relationships with Tanto Security, InfoSect, BSides CBR, ISACA Canberra Chapter, ANU Information Security Office and School of Computing.
 - 134 people across 70 teams; cyber students from ANU/UNSW/UTS/Deacon Uni
- Jul 2021 – Mar 2022,**
Jul 2022 – Mar 2023 **Group Staff, Admin Staff - National Youth Science Forum (NYSF)**
- Working with the Staffie team to run the NYSF Year 12 Program, especially coordinating and facilitating online & in-person events as well providing tech support for the Staffie team.
 - Event planning, development of process and training materials, facilitation of training sessions and more.

Work Experience

- Feb. 2024 – Present** **JB Hi-Fi (Canberra City) – Retail Team Member**
- Salesperson with skills in provisioning of Telstra telco contracts, as well as store operations, and merchandising; assisted in major store relocation.
- Nov. 2023 – Feb. 2024** **JB Hi-Fi (Canberra City) – Sales Peak Trade Casual in the Computers/IT Zone**
- Facilitated retail sales through the holiday Black Friday/Christmas period
- Nov 2022 – Dec 2022** **Expert Plumbing and Solar Services - Casual/Part time work**
- Manual labour – Roofing jobs, equipment relocation, and handywork
- September 2019** **ARUP Engineering Sydney – Work Experience Program**
- Shadowed groups of engineers in a range of fields incl. mechanical engineering, fire engineering, hydraulics, structural engineering, etc. as well as research & report writing on potential software solutions for engineering problems
- September 2019** **Academy of Interactive Entertainment (AIE) (CBR) – Work Experience Program**
- Learned the basics of 3D modelling & digital art
 - Taught game design and visual effects
 - Programmed and created a platformer game in Unreal Engine

Qualifications and Certifications

- October 2021 – Nov 2024** **CASA Accredited Commercial UAV Pilot - Operating in the 'Excluded Category'**
- Proficient and advanced UAV/Drone Pilot – flying the DJI Mavic Air 2 and other advanced drones
 - I maintain a creative interest in aerial photography and cinematography and have extensive experience flying drones for School and Family events.

- November 2021 – August 2025** **First Aid: HLTAID011 ‘Provide First Aid’, HLTAID013 ‘Remote First Aid’**
- I am ready to manage emergency first aid incidents to prioritise the health of everyone I am around in and out of the workplace. I am calm in a crisis.
- September 2021 – September 2026** **Volunteer Working with Children’s Check (WWCC)**
- I have an up-to-date current WWCC for volunteering purposes (primarily for working with future Year 12 students as part of the NYSF)
- January - May 2021** **Graduate of the Web Developer Bootcamp 2021 - 70+ hour Udemy Software Development Course**
- Proficient software developer in HTML5, CSS3, JavaScript, as well as in frameworks such as ExpressJS and technologies such as Cloudinary, MongoDB, and much more!

Achievements and Extra-Curricular Activities

- 2025-2026** **JB Hi-Fi 5th in Company for Business Lead Sales for Q2 FY26**
- 2021** **Deputy-Head Prefect of St Stanislaus College 2021**
- 2021** **Member of the Prefect Team and Student Representative Council**
- 2019 - 2021** **Senior Leader of the Media Team**
- Filming, photography, drone use and live streaming key St Stanislaus events, such as the swimming carnival and rugby games
 - Assistance during presentation assemblies
- 2016 - 2021** **CWA Public Speaking Competition**
- Consistent yearly public speaking
 - 2019, highly commended (equivalent fourth place)
- 2018 - 2020** **National Computer Science School (NCSS) Challenge (bi-annual)**
- Beginners/Intermediate Python (2018 High Distinction Award) (2018/19)
 - Beginners Website Development (HTML + CSS) (2018)
 - Advanced Website Development (HTML + CSS + JS) (2020)
- 2019** **Science and Engineering Challenge, Newcastle University State Level**
- Led a team of 32 students to first place regionals, continuing to state level
- 2019** **STEM Outreach Program**
- Robotics with Holy Family Primary School
 - Teaching young students robotics fundamentals and basic coding
- 2019** **Unleashing Brilliance Program**
- National Science Week Program
 - Worked with other students on models and robotics, to develop a theoretical solution to combat excess space junk problems
- 2016 - 2018** **Bathurst Eisteddfod and 2BS Radio**
- Consistent yearly public speaking
 - Radio Announcement with 2BS
- 2017 - 2018** **CSDA – Highschool Debating Competitions**
- Team debating, of structured arguments in a competition scenario.

Referees available on request.
